## The solutions offered by Coach Training Alliance fall into two categories:

**Small-C-COACHING:** Select individuals getting certified to support others in the organization, and leading workshops as needed, but not engaged in a companywide initiative. Tiers 01 and 02 above.

**BIG-C-COACHING:** A formal implementation supported by the executives. Tiers 03-06 above.

**While we believe successful implementations are endorsed by Executives, supported by internal coaching experts and leverage managers throughout the organization, we can scale a coaching solution that works for your company.**

In addition to the information presented in tiers 01-06 above, we can also help prepare internal communications as your initiatives are rolled out, via email announcements, audio interviews, video recordings, live or recorded webinars.
